

HERE ARE SOME FIRST TOURNAMENT TIPS:

1. We post Tee Times 2-days before the Tournament. We will typically update the Tee Times 1 or 2 times – so check the Tee Times the night before the tournament.
2. When you get to the golf course – come into the Club House and Check-In so we know that you have arrived for the tournament.
 1. You will receive your scorecard at that point as well as any course instructions.
3. Get to the golf course about an hour before your tee time – that will give you time to hit some range balls and putt.
4. Get to the Tee where you are Starting at least 15 Minutes before your Tee Time
 1. If you miss your tee time, you will not get another one.
